The Atlantic Provinces Section
of the
American Industrial Hygiene
Association

is pleased to offer
the following workshop

**Current Topics in
Occupational Health**
the Westin Nova Scotian, March 20th, 2002

The Atlantic Provinces Section of the AIHA is pleased to announce its upcoming Spring Workshop in Halifax, Nova Scotia. Improvement in the health and safety of the work environment is the result of a multi disciplinary effort that can involve people from several professions: industrial/occupational hygiene, epidemiology, toxicology, occupational medicine, occupational health nursing, safety engineer, the environmental specialist, and the compliance officer.

The Atlantic Province Section has assembled a range of speakers who will discuss current knowledge in Occupational Health. Topics planned for presentation include:

- Fundamentals and Current Topics in Epidemiology
Dr. Judith Guernsey
Assistant Professor, Department of Community Health and Epidemiology, Dalhousie University, Halifax, Nova Scotia
- Fundamentals and Current Topics in Toxicology
Greg Johnstone, M.Sc.
Consultant in Pharmacology and Toxicology, Pharmatox Inc and Integrated Health Services (HIS) Atlantic Inc.
- Fume Hood & Laboratory Ventilation Requirements
Greg DeLuga, P.E.
Senior Principal Engineer, Siemens Building Technologies Inc., Buffalo Grove, Illinois
- Fume Hood Applications and Containment Testing
Jeff Waters
National Operations Manager, Siemens Building Technologies Inc, Buffalo Grove, Illinois

Cost: \$100 per person
Date: March 20th, 2002
Location: Westin Nova Scotian, Halifax.
