Industrial Hygiene
Cliffs Natural Resources
Wabush, NL
Reference #8172**

CLIFFS NATURAL RESOURCES INC.
Wabush Mines
PO Box 3000, Wabush, NL, A0R 1B0

Cliffs Natural Resources is an international mining and natural resources company, a member of the S&P 500 Index, and a large producer of iron ore pellets in North America. Wabush Mines, Cliff's flag-ship Canadian operation, is located in western Labrador. With approximately 700 employees, Wabush Mines operates a mine and concentrator in Wabush, NL and a pelletizing plant in Pointe Noire, QC.

Cliffs Natural Resources is currently seeking a **Coordinator, Environmental Industrial Hygiene** to join their team in Wabush, NL.

Reporting directly to the Section Manager of Environmental and Industrial Hygiene, the Coordinator will manage the day to day activities of the Environment and Industrial Hygiene department at Wabush and integrate the vision of the organization into the activities of all employees and contractors. In this role, the incumbent will lead the investigation, development and recommendation to resolve all environmental and industrial hygiene issues while ensuring compliance with federal and provincial legislation. The Coordinator will also provide general educational awareness of environmental and industrial hygiene topics to support employee wellness programs.

The successful candidate will be required to hold a bachelor's degree in environment or industrial hygiene, or a related discipline, with a minimum of 5 years experience working in a similar setting. ISO14001 experience would be considered an important asset. Knowledge and experience with applicable provincial (Newfoundland and Labrador) and federal legislations combined with knowledge of basic sciences, occupational diseases, health hazards, working environments, sampling and evaluation practices, hazard controls and environment is essential.
